This petition is not maintainable. By this petition, a direction is sought that the funds allocated should be utilized for construction of two roads. It is not for this Court to decide as to how the funds should be allocated amongst the members of Zila Parishad and how those funds should be utilized. Ultimately, if the funds are mis-utilised, remedies are available to the petitioner. In this case, the relief sought is only for direction to Zila Parishad, Bageshwar, respondent no. 2 to construct two roads. Hence the petition is rejected.
